

Henry & Evelyn Bozarth Elementary School 2018/2019 Grade Level Supply List

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy supplies for their child. Should you decide to do this, the following are items which would be appropriate for your child's grade level. Please feel free to bring supplies to the Meet and Greet before the school year starts.

For your convenience, PTA will be selling reams of paper for classroom teachers at the Meet and Greet!
